

2012

NORTHERN UTAH TRAUMA CONFERENCE:

Sharing the Impact

.....

BRIDGERLAND APPLIED TECHNOLOGY
1301 NORTH 600 WEST
LOGAN, UTAH 84321

*Saturday, April 28, 2012
7:15 AM - 5:00 PM*

*Course Director
Allan Anderson, MD*

PURPOSE

To provide trauma related education to nurses, EMS personnel, pre-hospital personnel, all members of the interdisciplinary team, and physicians. To improve community trauma care, provide community education, as well as, focus on injury prevention and public awareness of the trauma system.

TARGET AUDIENCE

Prehospital providers, nurses, physicians, physician assistants, nurse practitioners, social work/crisis, radiology technicians, respiratory therapists, lab personnel, athletic trainers, students and anyone involved in the care of injured patients.

OBJECTIVES

Upon completion of this activity, participants should be able to:

- Discuss current practices and concepts for optimal management of injured patients
- Enhance skills and knowledge of pre-hospital personnel, nurses, physicians, and all trauma team members
- Explore ethical issues and social dilemmas of injured patients
- Evaluate lessons learned from providing trauma care

GUEST SPEAKER

Mr. Scott Bolleter, known as Scotty to his friends, is a respected Paramedic and internationally recognized lecturer. Scotty is perhaps best known in emergency medicine for his inspiring talks, moving poetry and clinical candor.

Currently Chief Bolleter is responsible for the Office of Clinical Direction and the Centre for Emergency Health Sciences at Bulverde Spring Branch Emergency Medical Service. His focus on education, clinical interventions, process improvement and research remain the hallmark of his distinguished career. Scotty has been involved in EMS for over twenty five years.

During Scotty's time in the streets, classroom, air, and lab his reputation has been built on the advancement of emergency medicine and compassionate care for those in need. His work in medicine has literally taken him across the US and around the world. Scotty's publications, presentations, and accomplishments are extensive with his work found in magazines, journals, textbooks, and videos throughout the industry.

Scotty has received numerous awards in his career - most notably - the 2000 EMS Person of the Year from the State of Texas, The Humanitarian Award from The EMS Associates of Utah for his work in Haiti, and recognition from the Texas Commissioner of Health for his work in Pediatrics.

REGISTRATION

\$75.00 for physicians, \$40.00 for non-physicians.
